Important planning points

- ☐ Plan around Dwarkadhish's midday closure instead of arriving randomly.
- ☐ Nageshwar is about 18 km from Dwarka and fits naturally with the outer temple circuit.
- ☐ Sudarshan Setu now connects Okha and Bet Dwarka by road; a ferry is no longer the only access.
- ☐ Two days are enough for the main pilgrimage circuit, but not for every beach, museum and optional stop.

Article action items

- ☐ Early start: Nageshwar before the day becomes hotter
- ☐ Mid-route: Gopi Talav and Bet Dwarka according to local operating hours
- ☐ Return leg: Rukmini Temple before evening Dwarkadhish darshan
- ☐ Buffer: keep at least one unscheduled hour for queues and traffic

Before booking

- ☐ Confirm live seats, route flow and current inclusions.
- ☐ Ask what is excluded before paying the booking amount.
- ☐ Check official weather, route and document requirements.
- ☐ Share senior traveler health or walking concerns early.
