Important planning points

- ☐ September is greener but historically warmer and wetter than November or December.
- ☐ Gir Jungle Safari closes from 16 June through 15 October each year; the itinerary must use its stated alternative during that period.
- ☐ A 4-day coastal trip and a 10-day two-state circuit suit very different energy levels.
- ☐ This month-by-month framework remains useful in future years; refresh the exact dates and live advisories before booking.

Article action items

- ☐ September 2026: 3, 5, 17, 19, 27, 29
- ☐ October 2026: 7, 9, 20, 21, 30
- ☐ November 2026: 1, 3, 11, 13, 22, 24
- ☐ December 2026: 2, 5, 13, 16, 24, 26
- ☐ Ask which day-five option applies to your batch.
- ☐ Check whether any attraction falls on its weekly closing day.
- ☐ Carry a light rain layer in September and warm layers for December mornings.
- ☐ Confirm live seats and the final day-wise plan before payment.

Before booking

- ☐ Confirm live seats, route flow and current inclusions.
- ☐ Ask what is excluded before paying the booking amount.

- [] Check official weather, route and document requirements.
